**Subject: TCS iON IntelliGem Contest for Classes 5 to 9**

Dear Parents,  
Greetings!

TOS introduces you all with one of the India's definitive contest on 21<sup>st</sup> Century skills, TCS iON IntelliGem. In its 4<sup>th</sup> Edition, the TCS iON IntelliGem is in a new ONLINE\* format. Students can now participate in this contest from the safety and comfort of their homes!

TCS iON IntelliGem is a national-level contest on 21st Century Skills for the students of Grades 5 to 9.

The skills in the form of topics that the contest will be focused on are:

- Universal Values - Developing the skill to understand and appreciate the feelings, experiences and ideas of others.
- Global Citizenship - Recognising the fact that all human beings, no matter where they live or which nation they are citizens of, inhabit the same world.
- Communication Skills - The ability to convey ideas effectively and convincingly to one or more people.
- Creativity & Innovation - The ability to observe problems and then create solutions. It is also the skill of being able to produce new and unique ideas.
- Financial Literacy - Being able to manage, despite all its complexity, financial matters at a personal and community level.

By participating in TCS iON IntelliGem, students will be able to -

- explore the increasingly important 21st Century competencies
- develop a passion and love for lifelong learning, and early entrepreneurship
- build a competitive spirit and prepare themselves to lead the world
- continuously augment their knowledge to go beyond what is possible

We are attaching the details of the contest, how to register, registration guidelines, and rules of the contest along with this circular.

**How to register:**

- Please click on the Registration Link - [intelligem.tcsion.com](http://intelligem.tcsion.com) and add the 'Unique School Code' – 1000028 at the time of choosing the topics the students want to contest and pay online.

Do encourage your child to participate in this unique skill building contest.
