

Disha Jain

emerges as a winner in the TCS iON IntelliGem finals - Jan 2020

TCS iON IntelliGem is an aptitude contest with an aim to create an understanding and appreciation of the various 21st Century competencies. Students of Grades 5 to 9 compete at the School, City and National (Pre-finals and Finals) level.

Our Student, Disha Jain from Class IX, Sapphire participated in the contest and reached the finals, which was held on 25th and 26th Jan 2020. A unique IntelliGem Quotient was used to gauge the students' talent and to promote them to subsequent rounds.

The Orchid School is proud to announce that Disha stood 2nd in the country at the IntelliGem Finals and won a cash prize of ₹50,000 and a lot of Tata products including a VR headset.
