

Grade II students bring Rangotsav – Sab ka Saath, Sabhi Ke Saath: A Multilingual Learning Fair

Today, the Class II students presented Learning Fair, "Rangotsav – Sab ka Saath, Sabhi ke Saath" a multilingual spectacular display of knowledge and learning prowess through literature, art, dance, and music, fueled by boundless zeal and enthusiasm.

The Learning Fair serves as a platform for students to learn skills of theatre, public speaking, fine arts, and more. The Learning Fair serves as an opportunity to students to exhibit their talents and learning outcomes through an array of interactive learning stations, each offering a unique experience curated by the teachers. Parents were warmly invited to partake in these activities, engaging enthusiastically alongside their children. Their presence and involvement offered support and encouragement to the young participants.

The Learning Fair boasted a colourful range of planned activities as under:

- **Rainbow Diet:** Students exhibited a variety of colorful vegetables and fruits at this station, highlighting their nutritional benefits and stressing the significance of a balanced diet.
- **Rangeeli Rangoli:** At this station Parents were provided with various patterns to create enchanting Rangolis.
- **Colourful Weaves:** Parents crafted colorful bookmarks using quilling strips in this activity.
- **Clap, Tap, Snap:** Parents engaged in a math activity integrating patterns, moving according to the position of judo blocks.
- **Rang Bi Rangi Chhapai:** Parents participated in an innovative art and science activity, creating block printing designs on white handkerchiefs.
- **Kuchh Hatke:** Emphasizing sustainability, parents made cards using recycled materials at this station.
- **Colourburst Beverages:** Healthy beverages like Kokum Sherbat, Lemonade, and Chaas were sold here, teaching students about financial transactions.
- **Aap Kya Sochte Hain:** Parents answered important questions related to the upcoming Holi festival, collecting data on post-Holi water usage and the use of colors on pets, presented as statistics at the program's end.
- **Colourful Millets:** Students showcased different colored millets and explained their nutritional value at this station.

After the session of showcasing literature, it was time to witness the outstanding performances of our Grade II students. Through display of wide range of dance, drama, poems, and songs children captivated the hearts of parents. The motto of "Rangotsav – Sab ka Saath, Sabhi ke Saath", the Learning Fair is to celebrate cultural diversity, promotes environmental consciousness, and encourages artistic expression.

At the heart of this celebration lies the theme of inclusivity and unity. Through this colourful event we all embraced the spirit of togetherness and celebration. "Rangotsav – Sab ka Saath, Sabhi ke Saath" was an event that celebrated students and the showcase of their learnings through artistic endeavours.
