Parents of class XII along with the students attended the orientation program held on 25/03/2017 in order to get a general overview of the class XII program and curriculum.

### General Orientation – Class XII

On 29<sup>th</sup> March 2017, the students of Class X started with their first day of the academic year with the morning assembly addressed by our Principal Namrata Di and Secondary Unit head, Netre Di. At TOS, we always believe in not overstressing the children with the thought of board exams but it was welcoming to see the young students already displaying a sense of seriousness on day one of their

Xth standard. It was as if the mantra 'Stay Focused' echoed in each student's mind. Namrata Di made the anxious students comfortable with her quick tips for successfully completing their class X without stress.
