

Scrabble Competition at SNBP School Pimpri – Feb 2018

Students from The Orchid School experienced a wonderful play of words while participating in the Inter-School Scrabble Competition at the SNBP School, Pimpri, Pune. This competition was held on Feb 2nd 2018.

Our students Anmisha Gadkari from class VI, Aadi Bharatia from class VII and Tia Parmar from class VIII represented our school in the competition. As many as 80 students from different schools across Pune had participated in the competition. Ms Smita Arun, our secondary school teacher accompanied the students for the competition.

Our students cleared the first round and gave their partners a tough fight in the second round, but couldn't score enough to win. Even then, they felt that it was a unique experience and participating in such a challenging word game helped them work on their vocabulary.
