

TOS Students visit to Bastar

Recently the students of The Orchid School embarked on an experiential learning excursion to Bastar, Chhattisgarh. Bastar district holds significant prominence within the state of Chhattisgarh, serving as the heart of the state's tribal region. Boasting picturesque landscapes and lively tribal communities, Bastar stands as the cultural focal point of Chhattisgarh. Despite its wealth of cultural history and natural splendor, the region remains relatively undiscovered on the broader Indian landscape.

The trip to Bastar was an exhilarating adventure for the TOS students! Bastar captivated everyone with its rich tribal heritage, stunning natural beauty, and vibrant culture. The students explored the lush forests, met the indigenous tribes, witnessed their unique customs, and learned about their traditional art forms, like mesmerizing handicrafts and lively folk dances. From visiting ancient temples to embracing the serene surroundings, the excursion to Bastar was an eye-opening experience that allowed the students to connect deeply with the region's rich history and diverse culture. It was a journey that broadened their perspectives and left them with unforgettable memories of Bastar's enchanting charm.
