IMPORTANT POINTS TO NOTE

- It is mandatory for all the students of Classes XI and XII to appear for the monthly/class tests for every subject.
- No retest will be conducted for the class tests in any case.
- Class XII students who have opted for Mathematics, the best of the two between average of all the class tests (from June to October) and the Prelim II scores will be uploaded on the CBSE portal.
- Class tests will be conducted in the subject period itself and the portion will be the concepts covered in a month.
- These tests will be of 20 marks based on the latest CBSE pattern 2023-24.
