Feedback for Ramya Di: - STD I Saffron

Dear Ramya di,

A lovely year comes to an end and it is invoking mixed feelings for me as a mother. On one side I am so happy to see him grow and progress to the next level. At the same time I do feel a bit sad that my association with you comes to an end. Thank you for your contribution towards Nirav's growth. For us it has been only ups in this session.

Wishing you a great life and a wonderful teaching career ahead where you positively touch the lives of many more young minds as you did with my son.

Thank you is not enough but still thanking you!
