Feedback for Richa Di (STD IV)

Hi Richa Di,

Thanks for all the fantastic work throughout the year.

We are so glad that you were Adi's class teacher this year. We feel that you provided a good combination of teacher, friend, and mentor to the children. The assignments were very well thought of, concert and Math fair were both outstanding. In fact, we could feel that you were able to make the children strive to perform their best! We also enjoyed your regular newsletter updates and the feedbacks on open days.

Looking forward to work with you again. Keep up the wonderful spirit.

Regards,

Aditya Singhvi's Parents
