

THE ORCHID SCHOOL

Feedback for Richa Di Class IV

Dear Richa Di,

Thank you seems a small word for all the awesome work you have done with Siddharth this year.

At the beginning of the year he did not feel like going to school and we as parents had no idea what to do.

All this changed immediately in the 1st few weeks itself this year. We noticed that he would look forward to going to school and his behavior, attention span and grades also improved. It all seemed so unreal and magical at 1st before it finally sank in.

He talked about school activities all the time and through the year "Richa Di" became a popular name in our home.

You have been a phenomenal mentor, guide and Teacher for Siddharth and we would like to thank you from the bottom of our hearts.

God Bless you !

Manan Desai
