

THE ORCHID SCHOOL

Feedback for Shruti - class IV Amber

Dear Shruti Di,

We have come to the end of the academic year . . . it was an important year for Shraddha's development in the School, she enjoyed it a lot, and we appreciate your guidance, involvement, communication, during all the stages this year. It was nice knowing from you about her development on various fronts during the year.

And, thanks for the kind words regarding my responses to your communication . . . In fact, I wish I could give more time to volunteer in various initiatives in the School to contribute significant in the development of children . . . will try for it the next year . . .

Thanks,

- Kishore Kulkarni
