

THE ORCHID SCHOOL

Parent Feedback for Activity

Dear Neena Di,

I am so glad to have you as a teacher for my daughter Riya. First of all I would just like to thank you for giving her courage and making her confident to see what she could do. You have inspired her a lot and they say, those who educate children are more to be honored than parents and so I really honor you for that.

"The Math Fair" and "The Concert" were just superb would like to congratulate you for its success. Math fair was really interesting and we have learnt a lot from it. I have received many stars from our lovely stars which was a great experience for me and the effort you have put in for the Concert was just remarkable. For our kids you are just like the candle, which consumes themselves to brighten up the lives of others.

I thank you from the bottom of my heart....

Regards,

Mrs.Rasika Bhalerao
