Baner, Pune**

AMARPREET KOTKAR

English & Maths Teacher– Primary School

“A compassionate educator, a passionate facilitator, and an excellent mentor for her students, peers, and parents. She is thorough and competent in her approach. Her sessions are remarkably captivating and engaging. Her inclusive approach enables most students’ progress.”

BHAGYASHREE KADAM

Biology Teacher– Senior School

“Bhagyashree , is very meticulous and confident of using technology which ensures student engagement and interactions. Some of her projects with students are " Make a menu for a family treat " showing 'Osmosis' and 'Diffusion', Chemistry experiments, introduced 'Question Chain" Revision technique, 'Peer Quiz' in class for informal assessments, research-based group project on the concept of "Tissues".

INTERNATIONAL CORONA WARRIOR EDUCATOR

MANSI CHANROKAR

The Orchid School, Pune

“A qualified special educator with expertise in diagnosis of various learning disabilities and integration elements in mainstream schooling. Very goal-oriented approach for students with special needs.. A teacher whose heart and mind are in tandem with her student’s goals. Strives very hard along with the students to help them cross milestones in their lives.”
