Circular No. TOS/FRO/CIR/FS/15-16/11

Date: 28th October 2015

Circular Regarding Academic Progress Report – STD I to STD XII

Dear Parents,

TOS ,in its constant effort to provide a comprehensive progress report of our students, has adopted a format of the student's report, which is aligned according to the CBSE requirements and shares varied dimensions of students performance .The first version of the same was shared on 17th October 2015.

We have tried to address the issues listed below and have made required changes based on your inputs.

1. Student's personal data (Address, blood group etc.)
2. Dummy student entry removed so that the particular remark of "marks not entered" will not reflect.
3. Errors related to correct verification, CGPA round off etc. rectified and verified.
4. Some of you have encountered the difficulty in receiving the OTP (One Time Password). Please check whether the SMSs are blocked in your cell phone that could be the reason.

Our endeavor is to create Globus System of Reporting and feedback.

If you still have any concerns, kindly bring it to our notice. An action will be initiated ASAP.

We value your feedback and partnership!
