

**Mahak and Madhur Goyal get their entry into**  
**The Guinness World Records**

The Orchid School believes in the holistic development of every child in the school and hence, strives towards promoting talent and achievement in any field, be it academics, music, dance, art, public speaking, sports, athletics, community and societal connect etc. to name a few.

This time, the achievement by our students, Mahak Ram Goyal and Madhur Ram Goyal of class IX has been commendable and TOS is extremely proud to announce the news of their entry into the GUINNESS WORLD RECORDS.

Our twins Mahak Goyal and Madhur Goyal participated in the longest human chain underwater. The chain underwater consisted of 182 divers, achieved by Chrysalis Entrepreneur Forum (India), in Koh Tao, Thailand, on 27<sup>th</sup> December 2016.

Mahak and Madhur are now part of the select group of the 40,000 world records that are held on the GUINNESS WORLD RECORDS database. The children were recently awarded with their certificates.
