

**Class Activity - Mud Day**

**Venue - School garden**

**Date - 28<sup>th</sup> June and 1<sup>st</sup> July 2019**

**The Mud will Wash off, But the Memories will LAST... A Lifetime.**

Class 2 children participated in the - The MUD Day activity with lot of enthusiasm. As a prelude, there were classroom discussions and an art activity, where children drew things they would like to cook in their Magical Kitchen for their family. Children were also taught the poem - Magical Kitchen and sang - The Mud Kitchen Song.

They were taken to the park area. Children wore their parent's old T-shirt over their uniform so that they won't stain their uniform. Every child made his/her food item for their family. They also made a palm print on a chart paper.

As a post activity, they wrote down their experience in their notebook and in a worksheet.

**We didn't realize, we were making memories, we just knew we were having fun.**
