

## *Class 1 - 4<sup>th</sup>, 5<sup>th</sup> and 8<sup>th</sup> July 2019*

*Our children are learning about different people and the places in their school in their EVS subject. They have started knowing teachers, maushis, kakas and the different places in the school.*

*We took this opportunity to invite our Principal Namrata Di for the event Visitor-Class 1. She took out her valuable time to interact with the students of Class 1 Lily, Tulip and Poppy on the respective dates.*

*The session began with Namrata Di asking the students what they aspire to be. They had all sorts of responses from being a policeman, robot, chef, teacher to being a ballet dancer or a collector.*

*Then Namrata Di shared the experiences of her school time and how her family and teachers at school motivated her in pursuing her dreams. She always wanted to be in the field of education like her mother. She actively participated in dance,*

*singing, drama and did a lot of writing. She motivated the students that they need to start working from this age itself to pursue their dreams.*

*It was fun watching her old pictures from childhood and school days and how she had fun time as well as study time with her mother and sister.*

*We concluded the session with a song by Namrata Di followed by the students of Class 1 reciting the poem on “Families” which they have learnt in class.*
