

The Orchid School ETHOS

Our vision is to prepare a community of successful learners for education beyond class rooms, successful career exploration in a climate of respect and appreciation for diverse aptitudes.

Every student and staff achieves academic excellence in an inspiring, engaging, and supportive environment where every Individual is engaged, supported, and is willing to learn. Achieving excellence in all we do, developing each student's unique gifts by Engaging students in relevant, experiential, and personalized learning. To cultivating creative problem solving, critical thinking, and innovation and to promoting honesty, graciousness, and global citizenship by celebrating our diversity, fostering a culture of collaboration, trust, and shared responsibility.

As a school we take pride in enabling our children to become locally rooted and globally competent. Striving to be the centre of our local community and an integral part of our society; building and joining communities locally and beyond. By giving them the right environment and ethos to remain a learner for life !
