Decision regarding fees for special services:

IS2 Fees collected in first instalment –

Grades 1-9: Rs. 1257 for 3 months

Grade 10: Rs. 1155 for 3 months; Grade 11: Rs. 2310 – for 6 months; Grade 12 Rs 1890 – for 6 Months(based on revised charges)

Sports Fees collected for Grades 1-5 – Rs. 3000 for full year (Note: some students from grade V were missed out on this component in the fee challan and not charged and it was communicated to those parents).

Based on the current reality of COVID pandemic and the uncertainty about reopening of the school in coming months and even when we do , it will be based on many safety requirements, school management has decided to shelve these two services for current academic year.

Hence, we have **decided to adjust these service fees in third instalment.**

Please note:

Your fee challan may have slight variation depending on the following

- IS2 Fees amount (that depends on the class)
- School sports fees (that depends on if your child is in grade 1 -5 and if you have paid)
- If you have failed to submit IS2 ID cards / submitted it later than the final date for submission – which the vendor refused to take back).
