Circular for Classes I – XII

Subject: Change of School Timing

Dear Parents

Season's Greeting to one and all!

As you must be aware we had conducted a survey with parents to decide about the change in school timing. We thank parents who sent in their response as it helped in indicating the recommendation of the parents.

The survey results are as follows:

- Out of 1079 parents, 792 parents responded.
- Percentage of response- 73.4%
- Parents who want change in school timing – 72.86%
- Parents who do not want change in school timing - 27.14%
- Parents who recommended 08:00 am - 52.27%
- Parents who recommended 07:45 am - 19.82%

The school has also conducted a survey with the staff to know about their recommendations.

The school has shared the outcome of the survey with the PTA members and the members have ratified the school timing to be changed to 8:00 AM in the morning.

The school will introduce these new timings from 1st April 2023. This would give ample time to the parents to plan the schedule for their wards accordingly.

Hence the school timings from **1st April 2023** will be as follows:

- **Monday – Friday:**
 - ❖ Class I – X: 8:00 AM to 2:30 PM
 - ❖ Class XI – XII: 8:00 AM to 2:15 PM
- **Saturday:**
 - ❖ Class VI – XII: 8:30AM to 12:30PM

Looking forward to your cooperation in this regard.
