

## Pajama Party Extravaganza

On Friday the third-grade students at The Orchid School happily stayed away from home in the evening as they participated in a Pajama Party organized by the school. Students and teachers both decked up in colorful PJ's and brought snuggly soft toys for this extravagant activity. The aim was to cultivate vital life skills such as independence and confidence in the students.

The event was an engaging, fun, and interactive experience for students. Students participated in meticulously designed games like Frame Quest Adventure, a thrilling game where students hunted for hidden words in the photo frames hung across the school atrium, and 'Do not Drop', an outdoor ball game that seamlessly blended physical activity, teamwork, and enjoyment.

Following the games, students indulged in delicious popcorn and the most refreshing lemonade to refuel their energy levels. Amidst lively conversations, they were treated to an immersive story session conducted inside a cozy story tent that was created by the teachers in their classrooms. The evening culminated in a lively dance session where students showcased their exuberance.

Beyond the fun-filled activities, the Pajama Party served as a valuable learning opportunity for students to experience staying away from home briefly. It also fostered stronger bonds between students and teachers. Ultimately, the event created enduring memories, enhancing the overall learning journey with its interactive and enjoyable approach.
