

**Title: Soumya Pareek, a 11th STD Student, earns ‘second position’ in TED Talk Hosted by Meru International School**

Soumya Pareek, an 11th standard student at our school, recently achieved a remarkable milestone by securing a second position in a TED Talk event ‘Merustav – 2023 Inter School Fest’ organized by Meru International School.

The online format of the event opened doors for participation from students all over the nation. It provided a unique platform for young minds like Soumya to share their perspectives and ideas. Soumya Pareek seized this opportunity with both hands and delivered a compelling talk on “**Vasudhaiva Kutumbakam – The World is one Family**” that earned her a second position.

We congratulate her on her achievements and wish her more recognition in the future.
