Parents of Class III Coral about Class Presentation for Sheetal

Hello Sheetal Di,

Hearty congratulation for the grand success of the Coral class III presentation and the fashion show today. Very nice conceptualized and excellent presentation by all the kids. Clearly reflecting a very hard work and the relentless efforts taken by you and your colleagues. Very well done. Once again congratulations.

Nivyal has also presented with no hesitation but with full confidence. A big thank you for your continued support in her development.

Best regards,

Lata and Balwan Yadav
