

The Orchid School  
Baner, Pune

Date: 7<sup>th</sup> July 2023

Circular No. TOS/FRO/CIR/FS/23-24/08

Subject: Circular for subscribing to a Math Games Library. (Classes I – V)

Dear Parents,

The Orchid School brings to you a unique opportunity to enrol your child to a Math Games Library.

LearnQuest is an organization that makes learning Maths easy and fun! It has a range of games, puzzles, and activities that are curriculum aligned & based on reasoning, logic, and problem-solving.

Our school has been regularly using their math manipulatives, worksheets, games and activities to teach Maths in the Primary Domain. Last month, LearnQuest had also put up a display of their services in the school premises during Parent Get to Know Me Session.

LearnQuest has been running a Maths Games Library, which is unique and one of its kind in Pune. They have agreed to provide their Maths Games Library service within our school premises.

Their team will come with the maths games and exchange them in the school, for 20 weeks in a year. This is entirely optional and hence subscribe to the library only if you wish to avail its services for your ward.

To know more about the library and to subscribe, please click on the link given below:  
<https://forms.gle/4G1Nwcqfr7HRDRWz9>

The subscription will close on 15th July and the library will be operational in the school premises from the 3rd week of July 2023. Once subscribed, further information of the same will be shared directly by Learnquest.

For specific information about the catalogue of grade wise games collection, do connect with them on 9637613584 /9923144306.
