

RPL is an annual National Level Robotics Workshop & Competition for school kids from Class I - XII.

Over 13 years, Robokidz has been organizing various National and State-level Robotics Competitions in association with India's premium institutes like IIT's. These competitions have been creating a visual spectacle year after year. Some of the events hosted by us are:

Edition	In Association with	Theme
RPL 1 st Edition	Robokidz	Robosoccer
RPL 2 nd Edition	Robokidz	Robosoccer
RPL 3 rd Edition	Robocon Jr. & Robokidz	Robosoccer
RPL 4 th Edition	Robocon Jr. & Robokidz	Clean & Green City
RPL 5 th Edition	Techfest, IIT Bombay & Robokidz	Clean & Green City
RPL 6 th Edition	Techfest, IIT Bombay & Robokidz	Aqua Robotics
RPL 7 th Edition	Robokidz	Robosoccer
RPL 8 th Edition	Robokidz & IIT Madras	Clean & Green City
RPL 9 th Edition	Robokidz	Aqua Robotics

Robokidz was born in 2010 with the motto of promoting technical skills, scientific thinking, and innovation. Today, we are well established as one of India's finest science and technology, skills development company, reaching out to more than 1 Million kids in over 3000 schools across India. We have completed thirteen golden years of creating an unmatched aura of science and technology.

THEME: Robo Soccer

- RPL 10th Edition** theme is Robo Soccer where students are required to build robots that can play soccer
- The objective is to score maximum number of points by kicking the ball inside the goal in limited time
- It is a three stage event as detailed below:

Stage 1: Workshop at School/Zonal Centers

Stage 2: Preliminary Competition rounds at select School/Zonal Centers

Stage 3: Grand Finale at National Level in Pune

Robotics Premier League
10th Edition

Workshop Series:

Name of Workshop	Eligibility	Fees with Kit (INR)	Duration	Kit Distribution
Robo Soccer – Wired	Std. IV – IX	2599.00	2 Days	One per participant
Robo Soccer - Wireless	Std. VI - IX	3599.00	2 Days	One per participant

Note :

- Participation certificate will be given to all the students by Robokidz
- Fees Quoted above includes workshop fees, take away kit and competition registration fees
- Rules & Regulations for the competition will be provided during the workshop

Tentative Dates : 4th – 5th November, 2023

Venue : The Orchid School, Pune

We invite your kid to be a part of this grand event. This is our initiative to unleash the scientist and technologist inside a child.
