Date: 28.02.2023

Circular No. TOS/FRO/CIR/FS/22-23/42

Subject: Serving of hot food by Tiffin Journey (Canteen Service Provider)

Dear Parents

Greetings to all of you!

In the past few months some parents have suggested the canteen should serve hot lunch to the students. Based on this suggestion, discussions were held with the canteen service provider.

The service provider has agreed to serve the same in the dining area on 5th floor, during lunch break.

Hence please note that from Wednesday, 1st March'23 onwards, instead of packed lunch, it will be served hot on the plates. This will be applicable for both the regular subscribed ones and the ones who are occasionally utilizing the services.

The short break snack will continue to be on the ground floor itself.

Plan of Implementing the change-

- Considering the change, the students will be guided by the teachers.
- Students of Class I and II will be accompanied by the maushis.

It would be good if you can also inform your child about this change.

Thanks for the cooperation.
