

Kiara Welde and Arva Jagtap outshine in the Cyber Genuis Competition 2020

Our students, Kiara Welde and Arva Jagtap from Class VII participated in the Cyber Genius competition and won the first prize in the Power- point presentation category.

This competition was arranged by the Kaveri Institutes, Kannada Sangha's Kalmadi Shamrao High School in Pune. The final round of the event was held on 14-12-2019.

The Orchid School is proud of their young achievers, Kiara and Arva. Below is the experience shared by the girls .

Cyber Genius 2019-2020 KHS.

Kaveri Institutes, Kannada Sangha's Kalmadi Shamas High School, Ganeshnagar, Pune... was welcoming unidentified talents and sharp minds in the field of computer, IT & robotics. There were various teams from the Orchid School with fire in their belly and a desire to win. Some of them took part ~~with~~ ^{presentation} in the Power Point category.

Out of these, Kiara Welde and Arva Jagtap from 7th Plum were wanting to win an achievement for their school. In the first round, held on 23rd November, 2019, these two girls had to face the task where they had been given seven topics with images on spot. You see, great and curious minds think alike. In the next moment, the Power of Social Networking was agreed on. Within one hour, 14 slides with creativity galore was created. The girls retreated home. Anxious for the results, but little did they know that the second round wouldn't be hard, the obstacles before it would be. The girls made a decision between the sports day & the final round, occurring on 14th of Dec. The result - one girl represented the team at the sport's day while the other represented them in the final round.
