CONGRATS TO OUR TECH EXPERTS!

GOOGLE-'CODE TO LEARN' WINNERS 2018

Google India 'Code to Learn Contest' is conducted every year with an objective to build a stronger foundation for Computer Science in India.The contest is being jointly organised by Google, ACM India and Indraprastha Institute of Information Technology, Delhi and is open to students from class V to class X.

TOS is proud to announce that, out of a total of 12 winners in India, two of them are from our school. Rohan Suresh was declared one of the four winners in the class 5/6 category and Harshit Narula is a winner in the class 9/10 category.

Rohan Suresh
Class VI Perwinkle

Harshit Narula
Class IX Violet

The Orchid School team congratulates both the students and wishes them many more such successes.
