

Hi! I am Reva Duraphe of class sixth Fawn.

I am a nature lover; birdwatching, travelling and wildlife photography is my passion.

I had submitted 8 photos for an exhibition called Elakshi, meaning one with a divine eye. I was the youngest participant to have two photos exhibited there. It was held in the Raja Ravi Verma Art Gallery on Ghole Road from 8th to 10th March 2020. There were over 50 photographers and around 100 photographs, being one amongst which was an honour.

Many people visited it and if you did, I hope you enjoyed it.
