

The Orchid School

Parent Feedback Analysis for the Year 2022-2023

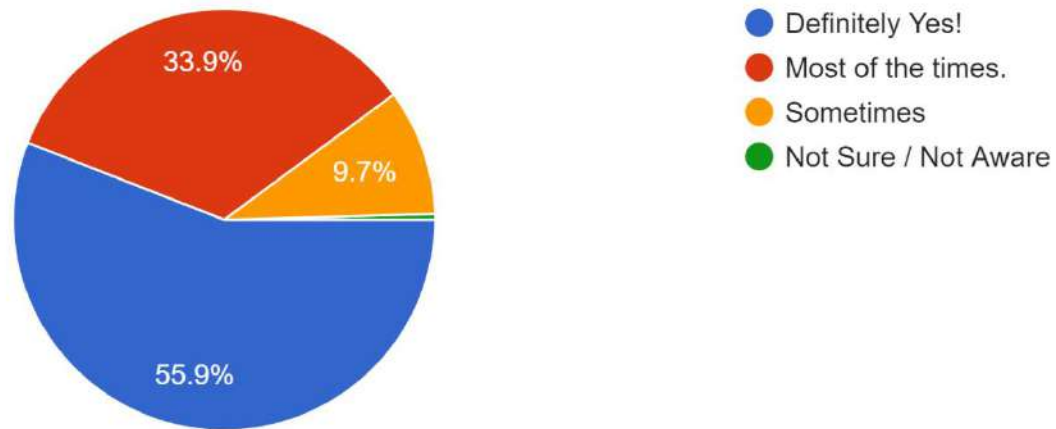

Objectives of Parent Feedback

- To assess and evaluate The Orchid School's response to two years of online teaching and introducing initiatives that were undertaken to bridge the learning gaps created due to online class.
 - To understand our success and areas of improvement.
 - To help the Organization to work on the areas of improvement.
- This survey is based on 227 parents i.e. approx. 30% of the parent population based on the fact that 30% of our parents have 2 children in the school.

My child likes what he / she is learning in school.

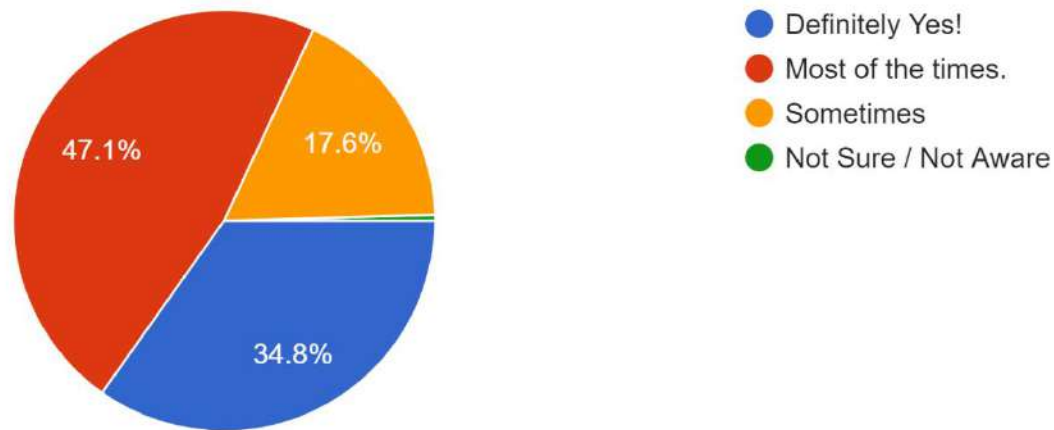

227 responses
