Subject: Business City

Dear Parents,

Greetings from The Orchid School!

As part of an experiential learning initiative, The Orchid School has designed a **Business City Programme** for students of Class VII. This programme aims to give students hands-on experience in teamwork, brainstorming, identifying business opportunities, basic financial management, preparing simple business plans, and implementing them in a real-world setting. The programme also focuses on developing presentation and communication skills, enabling students to confidently pitch their ideas, explain financial decisions, and reflect on their learning.

The activity is closely integrated with the Mathematics curriculum, reinforcing concepts such as Ratio and Proportion, Profit and Loss, and Percentages. Students have been provided with seed funding by the school, which they will use to run their businesses and later return with a stipulated profit percentage.

Business City Details

- **Dates:** 28th, 29th, and 30th January 2026
- **Time:** 10:30 a.m. to 12:30 p.m.
- **Venue:** School Atrium

Students of **Class VII** will set up stalls selling:

- Artifacts and handmade products
- Stationery items
- Food and consumables

We invite students of **Classes IV, V, and VI** to visit the Business City as customers and be a part of this enriching learning experience.

Amount & Coupon System

Parents are requested to send **₹100–₹150** with their ward **only on the day their class is scheduled to visit**.

To ensure smooth transactions and better management, a **coupon-based system** will be followed this year:

- Students of Classes IV, V, and VI will be provided with **coupons of ₹10 denomination each**.
- These coupons will be used for purchases at the stalls instead of direct cash transactions.
- The total value of coupons issued will be within the suggested amount of ₹100–₹150.
- All sale items have been **priced in multiples of ₹10** to align with the coupon system, ensuring ease of transactions and transparency.

All activities will be conducted under the teacher's supervision to ensure a safe, organised, and meaningful experience for all students.

Class-wise Visit Schedule
