Dear Parents and Students,

Greetings from The Orchid School!

As part of The Orchid School's **Green School Initiative**, we are organising an **End-of-Life School Uniform Collection Drive** in collaboration with our recycling partner, **ReCircle**, for students of **Junior KG to Grade 12**, from **29th March to 11th April**.

The purpose of this drive is to collect old and unused school uniforms for recycling, thereby minimising textile waste and reinforcing the importance of sustainable practices within the school community. This initiative also aims to instil in students a sense of responsibility towards the environment and encourage thoughtful habits of reuse and conservation.

Parents and students are requested to contribute **old, clean school uniforms** that are no longer in use, neatly packed in a cloth bag. The uniforms may be placed in the **specified cartons kept at the collection point in the basement**.

We look forward to your cooperation and active participation.

**Together, let us give old uniforms a second life.**

Warm regards,

**Dr. (Hon.) Sangeetha Thampy**      **Sonali Khambete**  
Academic Programs & Projects Lead      Vice Principal

**Dr. Namrata Majhail**
