Leaders Speak

“A child blossoms best when school and home are united by gratitude and trust.”

Gratitude lies at the heart of education, gently connecting students, teachers, and parents in a shared journey of growth. A school truly flourishes not only through achievements, but through the values it lives by each day—values that shape not just learners, but human beings.

For students, gratitude begins with recognizing learning as a gift shaped by guidance, encouragement, and care. Every lesson learned, every challenge faced, and every helping hand received becomes an opportunity to grow with humility and confidence. For teachers, gratitude is reflected in their quiet dedication, patience, and belief in every child, often expressed through countless unseen efforts that leave lasting impressions. Parents, as a child's first teachers, strengthen this journey through trust, support, and a meaningful partnership with the school.

Beyond roles and responsibilities, gratitude reminds us of our shared humanity. It invites us to pause and be thankful for good health, moments of happiness, and the small daily joys that often go unnoticed—a smile, a kind word, or a moment of understanding. Gratitude deepens relationships, encourages care and sharing, and helps us stand together with empathy during times of difficulty and change.

As one school family, gratitude teaches us to respect differences, value connections, and support one another with compassion. When practiced in thought and action, gratitude nurtures emotional well-being, strengthens community bonds, and inspires kindness.

By living with grateful hearts, we shape not only capable learners, but thoughtful, caring, and responsible human beings—prepared to contribute positively to the world around them.

With profound gratitude!
Namrata di

Heartfelt Note

Dear Orchid Families, and Valued Community Members,

As we turn another page in our shared journey at The Orchid School Baner, Pune, my heart overflows with profound thanks. To our incredible parents—you are the unwavering pillars that hold our vibrant community together. Your steadfast support, from cheering at sports days to meticulously packing tiffins for late-night project timelines, has transformed challenges into triumphs. Whether it's, attending parent-teacher meetings with enthusiasm, or simply trusting us with your children's dreams, your partnership fuels our mission.

None of this would be possible without our dedicated team at Orchid School. Our teachers, with their boundless passion and innovative spirit, weave magic into every lesson—turning math into adventures and science into discoveries. Our administrative staff, maintenance crew, and support personnel work tirelessly behind the scenes, ensuring every classroom sparkles, every event runs seamlessly, and every child feels safe and cherished.

At the heart of Orchid School lies our cherished ethos: nurturing holistic growth and igniting curiosity. We believe every child is an orchid—unique, resilient, and destined to bloom into confident global citizens through joyful learning and character-building.

In celebration of this spirit, we announce “**Gratitude**” as the theme of the year! This guiding light echoes our ethos, infusing classrooms, assemblies, and activities. By nurturing gratitude, we intend to inspire kindness, humility, and respect within our school community. This theme will encourage our students to acknowledge efforts big and small, build positive relationships, and grow into compassionate, responsible individuals who value learning and life with a thankful heart.

With profound gratitude!
Sonali di

Pradnya Niketan Education Society's

THE ORCHID SCHOOL

Our Vision

Locally Rooted Globally Competent Education

Our Mission

The Orchid School provides holistic education in a conducive school climate and home environment which leads to nurturing in students' resilience and a sense of personal responsibility and the ability to celebrate diversity, to develop leadership with integrity, to contribute to social development through creativity and problem solving, to face and create challenges with a fusion of traditional and contemporary values and choices.

Quality Policy

The Orchid School is committed to quality education which strives to continually enhance the academic program, develop and hone human resources and improve effectiveness of overall processes and systems.

Specifically,

- The curriculum and academic program is aligned and envisioned beyond the conventional 3 R's (Reading, writing and arithmetic) moving towards the essential 8 R's (Relationship, Respect, Readiness, Rich Experience, Reward, Responsibility, Regulation and Reflection).
- People of the Organization are assets and TOS believes in continuously and proactively enrolling all stakeholders through being transparent and involved in participative decision making. For this, the stakeholders are trained for capacity building, teamwork and leadership.
- Processes and Systems-Admission, Recruitment, Evaluation, Appraisal, Procurement, Training etc. are transparent, clearly stated with steps identified, people designated, followed up and monitored.
- Committed to fulfil applicable requirements related to the State Education Department, CBSE and all other statutory compliances.
- Working towards "Zero Error" in all documentation related to students, staff, compliance etc.

Pradnya Niketan Education Society's

The Orchid School (TOS), Pune and Nagesh Karazgi Orchid College of Engineering and Technology, (NKOCET) Solapur are professionally managed by Pradnya Niketan Education Society (PNES). It is registered under public charitable trust formed by a group of professionals.
