Circular for class XI (AY 2026-27)

Date: 11/06/2026

Circular No. TOS/FRO/CIR/SSS/26-27/05

Dear Parents and Students,

Greetings from The Orchid School!

At The Orchid School, we are committed to providing meaningful learning experiences that prepare students to thrive in an ever-evolving world.

As the world evolves, students require competencies that extend beyond traditional academics. The **Future Fluencies Programme** is designed to help students develop the skills and mindsets needed to navigate change with confidence, purpose, and responsibility.

The programme offers immersive, expert-led learning experiences that address some of the most significant challenges and opportunities of the future. Through interactive workshops, discussions, collaborative activities, and reflection exercises, students will engage with four key modules:

- **Identity Crafting**
- **Kickstarting change -Adapt and Achieve**
- **Transcultural Fluency**
- **Entrepreneurial Mindset**

Students will take **three of the four modules** offered during the week, enabling them to explore their areas of interest through an engaging and experiential learning process. **Transcultural Fluency and Entrepreneurial Mindset are compulsory modules.**

Students must choose one from Identity Crafting and Kickstarting change -Adapt and Achieve and register for their selected module through the Google Form link shared below.

Registration Form Link: <https://forms.gle/SDaRHry9UZHLnKqe7>

Objectives of the Future Fluencies Programme

- To help students develop self-awareness, recognize their strengths, values, and aspirations, and build a strong sense of personal identity.
- To equip students with the skills and mindset needed to communicate, collaborate, and thrive in diverse cultural and global environments.
- To develop essential future-ready competencies that enhance students' academic, personal, and professional growth.

Programme Details

- **Dates:** Monday, 22nd June 2026 to Saturday, 27th June 2026
- **Time:** During regular school hours
- **Duration:** 2 consecutive days per student per module

Students are required to register for the programme by selecting modules as per the structure mentioned above.

- Each module is limited to 40 students only.
- Module allocation will be on a first-come, first-served basis.
- Students are encouraged to register at the earliest to secure their preferred module.
- The registration form will close on 15th June 2026, or earlier if all seats are filled.

Programme Fee & Participation

- A fee of **₹2500** is applicable for the programme and must be paid on or before **27th June 2026** via the Edunext portal.
- The payment portal will open today at 3:30 PM (Net Banking option available).
- Cash payments will not be accepted.
- Participation in this programme is mandatory for all Grade **XI** students.

Expected Learning Outcomes: By participating in the Future Fluencies Programme, students will:

- Strengthen self-awareness, purpose, and identity development.
- Enhance the ability to critically evaluate information and engage responsibly with media.
- Build critical thinking, reflection, and decision-making skills.
- Gain exposure to diverse perspectives and real-world expertise.
- Develop confidence in collaboration, communication, and problem-solving.
- Strengthen readiness to navigate an increasingly complex and interconnected world.

We look forward to an engaging and enriching week of learning for all our Grade XI students. Thank you for your continued support.
