Dear Parents,

It has been a wonderful Back-to-School June, and we were delighted to welcome our little learners back to school. The classrooms were once again filled with cheerful smiles, curiosity, and joyful laughter.

We are happy to share that most children have settled into their routines well and are growing more confident each day. Please be assured that your children are doing well at school.

Through stories, songs, play, and hands-on activities, they are exploring, discovering, and enjoying every moment.

At TOS Nursery Buttercup, we believe that the best learning happens when children are happy—and it is heartwarming to see joy and growth go hand in hand.

Thank you for your continued trust and partnership. We look forward to another wonderful month of exploration, growth, and happy memories together.

Warm regards,
Team TOS- Nursery Buttercup

Back-To-School

Back-To-School
 Back to school with
 smiles so wide,
 Happy hearts and
 eyes with pride.
 After summer's
 sunny play,
 Our little stars
 returned one day.
 Familiar faces,
 hugs so dear,
 Teachers and
 friends brought
 joyful cheer.
 Even those who
 once felt shy,
 Walked in June
 with heads held
 high.
 Together they
 laughed, explored,
 and played,
 Beautiful
 friendships gently
 stayed.
 Learning, sharing,
 hand in hand,
 Growing together,
 just as planned.
 With every story,
 song, and game,
 Confidence
 blossomed all the
 same.
 A wonderful start
 to a brand-new
 year,
 Filled with love,
 learning, and lots
 of cheer!

~ Swarna Dev

What We Learned This Month!

Children are like sponges. They soak up everything around them.- Unknown

This Month

1. Myself – Gender n Age
2. My Body Parts
3. My Sensory Organs
4. My Family – My House
5. My Emotions
6. My Health n Hygiene

Myself theme comprising of – My body, my family, my house, my sensory organs and my health and hygiene was learnt with great gusto!

Fine Motor Skills: Multiple activities related to the theme with the focus on helping fine motor skill development were given to the children – such as pouring beads, lacing, shaving brush painting, sponge dabbing, play dough rolling, paper tearing, napkin folding and more

Gross Motor Skills: To enhance children's physical strength, balance, and coordination, they were given a lot of gross motor skill practise such as walking on a line, crawling on benches, jumping through hula-hoops, catching a ball, throwing a ball and many more

A lot of ART integration for learning better was incorporated in daily classroom activities.

Language Skills: Rhymes and stories in multiple languages pertaining to Myself Theme were sung. Apart from this Letters-Dd, Ee, Ff, Gg, and Hh, were introduced via a story each and many objects that begin with that letter were shown. Patterns -Standing & Sleeping lines were introduced and children drew them too. Shadow Play, Puppet Play, Role Play experiences enhanced children's speech and communication skills

Numeracy Skills: Children understood the number and value of 2 n 3, opposite: BIG-SMALL, colour: Yellow, and Shape: Square. Each was introduced in the form of a story and games such as sort the colour, catch the SMALL ball, Kick the BIG ball, etc were played to enhance understanding.

The NEP 2020 and NCF-FS 2023's Pancha Kosha for holistic development was followed religiously

Theme: Myself

Today you are
YOU that is
TRUER
than true.
There is
no one alive
who is
YOUER
than you!
-Dr. Seuss-

Workbook Activities

Nursery Buttercup children have been enthusiastically attempting and completing their **Theme, Numeracy, and Literacy** workbooks with growing confidence. Through engaging activities, they are strengthening their observation, thinking, and fine motor skills while building early language and number concepts. Every completed page reflects their curiosity, effort, and developing independence. We are proud of the wonderful progress our little learners are making each day!

Special Day: Cool-Fun Day

Nursery Buttercup children had a refreshing **Cool-Fun Day**, dressed in cheerful shades of blue to welcome the summer season. They explored juicy seasonal fruits and cool summery sherbet sent from home, enjoyed creative ice-painting, and understood the need and ways to stay healthy in the heat.

The children also made a **HAND PRINT Flower** as a Gratitude Craft for Nature the theme of June Month. It was a fun-filled day of learning, creativity, and caring for nature!

Special Day: Yoga Day

Nursery Buttercup children joyfully celebrated **International Yoga Day** with our Unit Head. Together, they performed simple yoga poses, stretched, smiled, and had lots of fun.

Yoga helps children build strong bodies, improve balance, stay calm, and develop better focus. A few minutes of yoga every day keeps our mind happy, our body healthy, and our heart full of energy

Special Day: Family Day

To a child, "love" is spelled, "T-I-M-E."

-Zig Ziglar

Family is a child's first school, where they receive love, care, guidance, and values that help them grow into kind and confident individuals. Nursery Buttercup children joyfully celebrated **FAMILY DAY** by coming dressed as different family members, filling hearts with smiles, creativity, and excitement. Through this fun activity, they learnt about the special roles each family member plays in our lives. Together, we celebrated the beautiful bond that makes every child feel safe, loved, and cherished.

Parent Involvement Activity

At the end of the day,
the most overwhelming
key to child's success is
the positive involvement
of the parents.

Jane D. Hull

Thank you for your enthusiastic participation in the **Cover-the-Drawing Book Activity** and our joyful **Family Day Dress-Up** celebration. Your creativity, time, and thoughtful involvement made these experiences truly special for our little learners.

When children see their families actively participating in their school journey, they feel valued, confident, and deeply connected. Such shared experiences nurture not only creativity and communication but also strengthen emotional bonds, build a sense of belonging, and support every aspect of a child's holistic development.

We sincerely appreciate your continued partnership and look forward to creating many more beautiful learning memories together.

What's in store then next Month!

What's here?

1. Pranamaya Kosha
2. Annamaya Kosha
3. Manomaya Kosha
4. Vijanamaya Kosha
5. Anandmaya Kosha
6. Co-Scholastics

Pranamaya Kosha: **SEASONS**

The Theme for the next month is SEASONS. Through this theme children will understand the various seasons, the food eaten, the clothes worn, the temperature felt.

Annamaya Kosha: Embodies both Gross and Fine Motor Skill Development. In this month keeping the THEME in mind children will be given ample opportunities and tools to enhance their Motor Skills such as Play with Wind, Blowing bubbles, scooping, fishing, and more

Manomaya Kosha: To strengthen a child's Socio-Emotional and mental development, this month stories on safety n security, ways to communicate with peers and people, expressing emotions and feelings will be covered.

Vijanamaya Kosha: This comprises of Cognition, intellect, and understanding.

In Literacy Skills: Letters – Ii, Jj, Kk, Ll, Mm, Lines – Slanting Lines will be introduced.

In Numeracy Skills: Numbers 4,5, Opposites: Tall-Short, Colour: Green, Shape: Triangle will be introduced.

Anandmaya Kosha: To improve a child's inner wellbeing through the theme of the month – Seasons many role plays, enactings, rhymes, dressup days, show-n-tell days will be conducted.

Co-Scholastics: Dance and Physical Education Coaches will ensure children are developing their sports and performing arts skills well. The children are being taught the Hindi Song: **“Nanha Munna Rahi Hoon”** in Music

Requests

Requesting all parents to kindly keep checking your EduNext app/ Portal for classroom related messages and mail.

Some Parents have not yet submitted their child's Medical Form.

Requesting parents to check your child's school diary pg. 179-180 fill the form and send it across at the earliest!

Requesting parents to pin a handkerchief on your child if he/ she needs it. Your child cannot yet access pockets with ease.

Requesting all parents to kindly check if your child's bag has an extra set of labelled clothes, stitch your child's name on black socks and use a marker pen to label shoes, water bottles, and tiffin boxes. It has come to our notice that many children come with unlabeled belongings. Kindly help your child become independent.
