Circular for class XII (AY 2026-27)

Date: 30/09/2026

Circular No. TOS/FRO/CIR/SSS/26-27/17

Dear Parents and Students,

Greetings from The Orchid School!

As part of The Orchid School's Community Outreach Programme, we provide students with opportunities to extend their learning beyond the classroom and engage meaningfully with the wider community. Aligned with our vision of nurturing responsible, compassionate, and socially conscious individuals, the programme fosters empathy, collaboration, and a spirit of service, empowering students to make a positive difference in society.

Under the school project '**2morrow 2gether**', in collaboration with the **Lila Poonawalla Foundation (LPF)**, schools supported through this project work towards creating learning opportunities for economically disadvantaged girls. **This is a student-led initiative that encourages our students to take ownership of the learning experience by planning and facilitating engaging learning sessions for the students visiting our school.**

As part of this initiative, students of **Grade XII** will have the opportunity to engage in **lesson planning, teaching, and learning** with students visiting our school.

The programme will be conducted for Grade XII students on **15th October 2026**, during regular school hours.

Interested students are invited to register **on or before 1st October 2026** through the Google Form shared below:

<https://forms.gle/nvftZmcPMr1Soe937>

As the programme involves small-group interaction and meaningful engagement, only **10 students will be selected for each subject group**. Selection will be on a **first-come, first-served**

basis, based on the responses received through the registration form. Please note that responses received after **1st October 2026** will not be considered.

Subject Groups

Students can register for **one of the following teaching groups**:

- Literacy
- Numeracy
- IT
- Fine Arts

The programme will provide our students with an opportunity to share their knowledge and skills while developing **empathy, collaboration, communication, leadership, and a deeper understanding of their role in the community**.

Students who are interested in participating are encouraged to register at the earliest to secure their place in their preferred subject group.

We look forward to the enthusiastic participation of our students in this meaningful community outreach initiative and hope that this experience will be enriching for both our students and the students they engage with.

Warm regards,

Dr. (Hon.) Sangeetha Thampy	Sanjukta Sen	Sonali Khambete	Dr. Namrata Majhail
Academic Programs & Projects Lead	Unit Head	Vice Principal	Director–Principal
