Subject: Traffic congestion outside the school

Dear Parents,

Greetings from The Orchid School.

As part of our continuous efforts to ensure the safety and well-being of our students, we would like to draw your attention to the traffic situation observed around the school premises during arrival and dispersal hours.

Despite the presence of traffic regulations and support staff guiding vehicles, it has been observed that traffic rules are sometimes not being followed. Instances such as jumping traffic signals, driving in the wrong lane, using footpaths meant for pedestrians, and stopping vehicles near the school entrance create congestion and compromise the safety of students, parents, and other road users.

Our support staff work diligently every day to maintain order and ensure smooth movement of vehicles. We request all parents and guardians to cooperate with them by following their instructions respectfully. They are performing their duties in the best interest of student safety, and their guidance should not be ignored or met with inappropriate behaviour.

We also request parents to plan their commute and leave home **10–15 minutes earlier** than usual. This small adjustment can help:

- Reduce congestion around the school premises.
- Ensure smoother traffic flow.
- Preventing traffic violations.
- Enable students to enter the school campus calmly and safely before the reporting time.
- Create a safer environment for pedestrians and fellow commuters.

Student safety is everyone's responsibility. By following traffic rules and cooperating with the school staff, we can ensure a safe and smooth experience for all students.

We sincerely request your support and cooperation in maintaining discipline and keeping our children safe.

Warm regards,
