Subject – Circular for Classes I to XII for Sports Achievement Form 2026-27

Dear Parents,

At The Orchid School, we believe in recognising and celebrating the achievements of our students across diverse domains, be it academics, sports, fine arts or other areas of excellence. We value the dedication, perseverance and commitment that enable students to pursue their passions and excel in their chosen fields.

As we look forward to celebrate our Annual Sports Day on 5th December 2026, we are pleased to acknowledge students who have distinguished themselves in individual sports at the state, national and international levels, representing their school or recognised sports federations.

At The Orchid School, sports are an integral part of holistic development. Recognising sporting achievements is our way of celebrating not just success, but also the hard work, determination and sportsmanship behind it.

Eligibility Criteria
Students will be considered for recognition if they meet either of the following criteria in an **individual sport**:

- Have secured **1st, 2nd or 3rd position** in a state-level championship.
- Have participated at the **National or International level** in a recognised championship or competition.

We request parents of eligible students to complete the **Google Form by 25th October 2026** and provide the relevant details of their child's sporting achievements.

Please Note: The submitted details will be reviewed by the selection committee, which will finalise the students to be recognised during Sports Day.

Let us come together to celebrate our young sportspersons.
