Date: 21/10/2026 Circular No: TOS/FRO/CIR/FS/26-27/35

Circular for Classes Nursery – XII
Subject: Circular for project 'Khushi Ka Bazaar'

Dear Parents,

Greetings from The Orchid School!

At The Orchid School, our vision and mission go beyond academic excellence. We strive to nurture responsible, compassionate, and socially conscious individuals who understand the importance of empathy, sustainability, and contributing meaningfully to society. In keeping with these values, we are delighted to bring back our annual initiative, **'Khushi Ka Bazaar'**, scheduled for **20th December 2026** — a project that beautifully translates our school's ethos of sharing, caring, responsible consumption, and community engagement into meaningful action.

"Life's real wealth lies in the kindness we spread."

Diwali, the festival that celebrates light and renewal, reminds us of the joy found in sharing and giving. It is a time to reflect on abundance and extend our blessings to those who may have less, turning celebration into an act of kindness and compassion.

With this thought, TOS has a special request to the parents of all levels. We would like to promote **responsible reuse and sharing** by encouraging families to contribute items that may no longer be needed at home but can bring happiness, comfort, and value to someone else.

Like every year, this year too, The Orchid School invites parents and students to join hands in this meaningful initiative — **'Khushi Ka Bazaar'**, a project that encourages the responsible reuse and sharing of household and personal items. These pre-owned items can find a new purpose and bring immense happiness and comfort to another.

We are proud to share that this project has been successfully conducted for the past few years, and we hope to reach even more families and spread greater joy this festive season.

Items that can be donated:

- Clothes
- Upholstery items – blankets, dohars, bed sheets/covers, curtains
- Toys and bicycles

Donation Guidelines:

- Clothes and upholstery items should be clean, neatly folded, and in good condition — not torn, damaged, or faded. Ironing them would be appreciated.
- Toys and bicycles must be in good working condition to ensure they can be used and enjoyed by the recipients.

Students of Class XI will take the lead in organizing and storing the collected items for distribution and setting up the **'Khushi Ka Bazaar'**. Together with teachers, they will arrange make-shift stalls at prominent locations where these items will be made available to the community.

Objectives of the Project:

- To nurture a spirit of sharing and empathy among students.
- To strengthen community bonds through collective action.
- To instill responsibility in students by encouraging donations of clean and usable items.
- To encourage sustainable practices through responsible reuse and sharing.
- To develop socially aware, compassionate, and responsible future citizens.

Collection Drive:

The collection drive will commence on **22 October 2026** and conclude on **15 December 2026**. All donated items should be neatly packed and handed over to the respective class teachers within the stipulated period.

We urge all parents to extend their wholehearted support and help us bring smiles to many faces this festive season. Let us come together as a community to make this initiative a meaningful expression of our values and celebrate the true spirit of **sharing, kindness, and responsible reuse** through *'Khushi Ka Bazaar'*.
