- Gender representation will be considered while planning and reviewing participation in student divisions, games and other school activities, wherever relevant.
- Students will be encouraged to speak up if they experience or observe any situation where they feel discriminated against on the basis of gender.
- Any such concern or instance should be reported and escalated through the appropriate school channels so that it can be addressed promptly and sensitively.

Mahila Takrar

- Any woman who feels unsafe, harassed, molested or subjected to inappropriate behaviour is encouraged to report the concern through the appropriate school channels.
- The committee assured that any such concern will be heard sensitively and addressed promptly, with due respect for the dignity, privacy and rights of the person reporting the incident.
